

# 12/9/14 PB MEETING NOTE

Mark S. excuse me for a minute, I try to keep these meetings civil and I don't want Mr. Cotton to feel - I believe the building inspector is being very up front and open but lets try to keep things mutual, Building came here to help out, its not productive to be personal

Stark Ch I disagree that is 1st meeting with Building Insp.

Mark S yes I know its important.

It is confusing to me at this point how do you move on a complaint, if happens on a Sunday I have to call you and pray you there.

Wick - no hopefully call police to document then call me and yes make effort. The enforcement can be near impossible

Bob ARE YOU SAYING IT WILL BE IMPOSSIBLE TO ENFORCE

Wick YES IF # TRUCKS EXCEED IMPOSSIBLE

Bob STONE DUMP SIZE FOR EX.

Wick IF DELIMITATION IS DOCUMENTED AND SIZE THEN YES IT HAS TO BE INDISPUTABLE EVIDENCE
