Subject: Dodge Maple Farm

Hi Ms. Curtis,

I received an amended Forest Management Plan for Dodge Maple Grove on 1-29-15. I met in the field with Mr. Cotton, Mr. Melnick, and Mr. Mauri on 4/14/15 to discuss the exclusion area presented in the plan. At the conclusion of the meeting I had directed the forester to provide a metes and bounds exclusion description for any area intended to be used for commercial purposes. I have spoken recently with Mr. Mauri who had completed the necessary changes and provided the corrected management plan to Mr. Cotton. At present, DCR has not received this plan. There is currently no approved Forest Management Plan for this property (formerly Challett).
