

1/20/15 PB MEETING NOTES

Bill S. CAN I ask Board to close this Meeting

MARK S. this is my personal opinion - received correspondence from Mr. Cottel - and wanted to hear from Mr. Bialosky - my intention is for public to see this handout and return to ask any other questions then close it out at next meeting. Each member here has to take everything into consideration. It has to be unanimous - need to digest what was handed out today - that's my thought on this we have addressed many of the big issues.

MR. SILVERMAN - Do you follow the bylaws that pertain to the special permit.

ADDRESS REALTOR'S CONCERNS NOISE LEVEL ETC
MAKE MR. COTTEL PAY FOR A STUDY

MARK S. YES WE DO - we have visited the sites and heard the noise - and have thought about other homes that are next to not so nice locations.

ANYONE ELSE - ? - get calendar - with Reg Meeting
Move to keep open and continue to 17th or FEB
Reg meeting on 16th.
